

School Strategic Priorities 2021/2022

Culture

- Sustain effective mental health & wellbeing support for students and staff members through the development of 'Magdalen'.
- Deepen student and staff members understanding of equality and diversity through UNICEF's Rights Respecting School Award.

Character

- Further develop our curriculum which promotes resilience, independence and achievement preparing students for their next stage.
- Engage students to participate more widely outside of the classroom environment and encourage healthy living through the new RSHE programme.

Currency

- Instill a love of Reading for enjoyment and to support students in their learning.
- Make effective use of the pupil premium and catch up funding as part of a recovery programme to support the progress of students particularly the disadvantaged and those impacted most by the pandemic.
